

CITY OF LODI

PUBLIC WORKS DEPARTMENT

COUNCIL COMMUNICATION

TO: City Council

FROM: City Manager

MEETING DATE: January 21, 1987

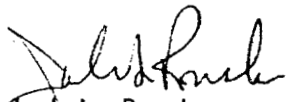

AGENDA TITLE: Establish Passenger Loading Zone on Stockton Street S/Elm Street

RECOMMENDED ACTION: That the City Council establish a passenger loading zone on Stockton Street S/Elm Street at the Buddhist Church of Lodi.

BACKGROUND INFORMATION: Reverend Fujimoto of the Buddhist Church of Lodi requested the passenger loading zone be installed adjacent to the church entrance (See exhibit).

The installation of the loading zone would eliminate two parking spaces when the church is open.

This loading zone should not affect adjacent businesses, and therefore staff recommends installing the loading zone.

Jack L. Ronsko
Public Works Director
